

Forks Area Recreation Club

F.A.R. Club

You're Invited!
to our MEMBER MEETING

Where: Town Hall

When: Saturday, Nov. 21st, 2009

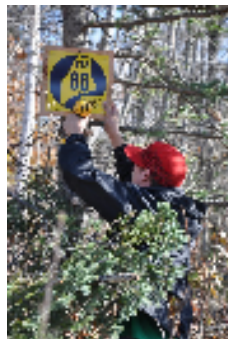

Time: 5:30pm

Hello members, friends and fellow snowmobilers! We are excited about our 2009~2010 season with work in high gear.

We have put up over 400 trail signs and another 400 or more to go. The Enchanted loop trail will be open this year with a brand new 4-season recreation bridge over salmon stream. We are also in the process of purchasing a 3rd groomer to help cover ITS 86 87 89 and our club trails for you riding pleasure. With 14 kiosks ready to be shipped to their locations, we hope our trails will be one of the best-signed trails in the state this year, which means very happy snowmobilers.

This will be our clubs 3rd year young and have learned a lot in our past years from other clubs, MSA and the snowmobilers that ride our trails. We would like to thank all who have helped to make this possible and a great start to a new season. As the temperature starts to drop and snowflakes already in the air don't forget to visit our website to download your membership form. See you on the snow!

*Respectfully
Jamie Vasquez*
